Shipper's Dangerous Goods (Hazardous Material) Certification Form

Kegonsa Research Campus University of Wisconsin-Madison 608-877-2200 / Fax 608-877-2201

Federal law requires that all dangerous goods / hazardous materials must be packaged and shipped by trained and certified personnel only. At the Kegonsa Research Campus, Stockroom personnel have received the required training and certification to package and ship dangerous goods / hazardous materials. Any materials presented to Stockroom personnel which are already packaged will be opened so they may be inspected and will be repackaged as per Federal and International Air Transport Association (IATA) regulations. Material Safety Data Sheets MSDS must accompany any materials for shipment, and it is the shipper's obligation to provide these documents.
